5-Star First Federal of Greene County A Vital Part of the Community

January 2010: It is with great pride that **First Federal Savings and Loan Association of Greene County, Waynesburg, Pennsylvania** accepts its distinguished 5-Star Superior rating from **BAUERFINANCIAL, Inc., Coral Gables, Florida**. The 5-Star rating is based on the overall financial condition of the bank and indicates that, for strength and stability, First Federal of Greene County is the perfect place to entrust your deposits. The 5-Star rating is the highest rating attainable from BAUERFINANCIAL (the Nation's Bank Rating Firm for over a quarter of a century). Not only has First Federal of Greene County earned a 5-Star rating, it has done so for 86 consecutive quarters. Only 1% of the nation's banks can claim that distinction.

"Sheila Bair, Chairman of the FDIC, said recently that community banks are the lifeblood of our financial system, and that certainly is true," comments Karen L. Dorway, president of BAUERFINANCIAL. "What she doesn't say is that not all community banks, or all banks for that matter, are created equal. First Federal of Greene County has passed BAUERFINANCIAL's stringent stress test with flying colors. Not only is it a vital part of its community, it is a prime example of what all community banks should strive for."

Established in 1924, First Federal of Greene County has been serving the banking needs of its neighbors and friends for 86 years.
