Friday, March 20, 2020

Dear Valued Customer:

At First Federal of Greene County, the health and safety of our customers, employees and our communities is our top priority. In response to the COVID-19 situation, we have implemented safety measures within our offices.

Effective Friday, March 20, 2020, we are redirecting all lobby traffic to our drive-thru locations:

- **Waynesburg Drive-Thru**
- **Washington Drive-Thru**
- **Taylorstown Drive-Thru**
- **Uniontown Drive-Thru**
- **Carmichaels Drive-Thru**
- **Mt. Morris Drive-Thru**

We are here to assist you through this difficult period and will continue to work to meet your banking needs. We encourage you to take advantage of our ATMs, on-line banking capabilities, mobile app and telephone banking tools.

Additional cleaning procedures have been implemented to disinfect our ATMs and drive-thru locations, as well as our facilities.

Please contact one of our offices if you need further assistance: <https://www.firstfederalofgreene.com/locations-and-hours.aspx>.

It is our honor to continue to provide your banking needs now, and into the future, as we have since 1924. In these difficult times, we will remain “The People You Know, The People You Can Trust.”

Sincerely,

Judi Goodwin Tanner
